New Dimension of Lighting: Table Lamp with Three Colors of Light!

Welcome to a world of new lighting possibilities! The RIWIA table lamp not only provides three different colors of light – cold white, warm white and natural white – but also gives you control over the brightness to match the lighting to any situation. It's more than just a lamp – it's a revolution in creating an atmosphere in your environment.

Three Colors, Infinite Possibilities

No matter your mood or task, our table lamp offers three different light colors, cold 5000 K, neutral 4000 K and warm 3000 K, which can be easily adjusted to suit your needs. A short touch to change the color, a long touch to adjust the brightness – it's all in your hands.

Power for Long Evenings

With a built-in 1800 mAh battery, our lamp can shine for up to 8 hours on a full charge. Perfect for long evenings or romantic dinners, and the charging itself takes just 3h and is very easy thanks to the universal USB Type-C port.

Lightweight and Mobile

The RIWIA table lamp weighs only 300 g and has compact dimensions of 9 x 9 x 21 cm. Thanks to its wireless design, the LED table lamp gives you countless applications, such as in the living room, bedroom, study, dining room, bar, cafe, hotel rooms, making it ideal for taking it wherever you need it – this lamp will always be with you.

Create a Unique Atmosphere

With a beautiful design and a variety of lights, our table lamp is perfect for any place where you want to create a unique atmosphere – from home to restaurants and hotels.

Easy Operation, Complete Control

Controlling the table lamp is incredibly easy – with just a touch of a button, you can change colors and brightness. Whatever your needs – whether you are looking for accent lighting or want to create a subdued atmosphere for relaxation, our lamp is the perfect solution to take care of your comfort.

Don't wait any longer – discover new lighting possibilities with our table lamp!
